Academic Integrity Policy: Academic integrity is expected of all students. This means that all work for this class must be undertaken and completed by you alone without collaboration from others. Any dishonesty in the performance of course work, such as plagiarism or cheating in other forms, will be reported. In the event the student is charged with some form of dishonesty, the Student Discipline Policy will be followed. The full text of the BSC Academic Honesty Policy can be found at: <http://www.bluefieldstate.edu/academics/academic-honesty-and-proctoring>. In addition, students should be aware that research paper assignments must be submitted to [Turnitin](#) for the purpose of checking for plagiarism. Submitted assignments will be included in the BSC dedicated database of assignments at Turnitin.

Attendance Policy*: Attendance in class is mandatory. It is the student's responsibility to sign the attendance sheet each day of class; failure to sign the attendance sheet—even if in attendance—will be counted as an absence. “When the number of clock hours of willful absences exceeds the number of semester hours of credit, the instructor will notify the Registrar that the student has exceeded the permissible number of absences and should be withdrawn from class.” Students with **Excused Absences** must submit to me a hard copy of the campus publication *The Bulletin* announcing your allowed absence in order to get credit for the day(s) of your absence. “It is the responsibility of the student to...provide supporting documents for institutional and unavoidable absences” (*Bluefield State College Academic Catalog 2012-2014*, p. 55). As well, you are expected to follow the syllabus and accordingly be prepared for each day's class. This means that you must read the pre-assigned readings before class so that you will be prepared to discuss and debate in class the subject matter scheduled for that day and answer questions related to the issues being covered.

* Absence from class may be made up by preparing a **two-page, typed** (i.e. using maximum 12 point font size and maximum double-spaced text with one-inch margin on all sides), **summary** on the missed material scheduled to be covered the day(s) of your absence. The summary must be in your own words and must **not** be copied material from the text(s), the internet, or any other source(s). **All summaries must be turned in to me by the last day of classes if you want credit for your absences.**

Cell Phone Policy:

Turn off all cell phones during class or put on vibration. If you absolutely must answer your phone, leave the classroom before answering your phone and return only after you have completed your conversation.

Withdrawal Policy: Academic Withdrawal from the course prior to the deadline date for withdrawal as published within the academic calendar is accomplished by securing a “Change In Schedule” form and having it signed by appropriate persons. Blank copies of the change in schedule form are available in the offices of the Registrar, the Vice President for Academic Affairs, the Dean and the advisor. After obtaining the required signatures, the student must submit, prior to the deadline date, the change in schedule form to the Office of the Registrar.
