Examines the context within which public administrators at the national, state, and local level operate. Topics include the nature of bureaucracy, the legitimacy of public administrators in American governance, governmental budgeting and financial governance, administrative budgeting and financial management, administrative ethics, administrative theory, human resources management, intergovernmental relations, and the public policy process. PR: POSC 200 or POSC 210.

Grading Policy: 25% for Attendance which requires completing Online Chapter Quizzes and answering Chapter Class Discussion Questions (i.e. $12\frac{1}{2}\% + 12\frac{1}{2}\% = 25\%$); 25% for the Midterm Exam; 25% for the Research Paper; and 25% for the Final Exam. A Guidelines sheet will be posted outlining the requirements for your Research Paper.

Grading Scale: 90-100=A; 80-89=B; 70-79=C; 60-69=D; 0-59=F. These numerical scores correspond to the following evaluations: “A” = Excellent; “B” = Good; “C” = Satisfactory (NOTE: A grade of “C” or better is required in major courses); “D” = Poor (passing, except in major courses); “F” = Earned Failure (removed only by repeating the course; upon successfully passing the course, the first grade is “excluded” from grade point average. The second grade is “included” in the recalculation of the grade point average); and “I” = Incomplete.

Soliya Connect Program: Students are eligible to sign up for INST 492 “Soliya Connect Program” which is an eight-week international cross-cultural exchange program for one additional hour of course credit. Information on the program will be handed out in class.

Netiquette: When sending me an email, **ALWAYS** put the course number (e.g. POSC 200) in the Subject Heading line on your message, as I teach many courses and have many students; consequently, with no reference to which course you are referring to, it is difficult to look it up.

Teaching Procedures: This course will be taught fully online utilizing Moodle software. Individual work is required, such as submitting the Mandatory Name Assignment, completing online chapter quizzes, answering chapter discussion questions, submitting a research paper, and completing the online midterm and final exams, on the dates indicated.

Interaction Plan: This course will require continuous communication between you, the student, and myself, the instructor, utilizing the tools provided by the course Moodle page and related software, including as well the BSC email system. We shall follow the posted syllabus as our guide.

Caveat Emptor (i.e. Buyer Beware): This course is intense and requires a commitment by you, the student, to keep up with the readings and the work. By taking this course, you are making a **commitment** to purchase the required text, **keep up with the chapter readings**, submit your **Research Paper** by the required due date, take the **Chapter Quizzes** and submit answers to the **Class Discussion Questions** as they arise, in addition to completing the **Midterm Exam** and **Final Exam** by the dates indicated.

Academic Integrity Policy: Academic integrity is expected of all students. This means that all work for this class must be undertaken and completed by you alone without collaboration from others. Any dishonesty in the performance of course work, such as plagiarism or cheating in other forms, will be reported. In the event the student is charged with some form of dishonesty, the Student Discipline Policy will be followed. The full text of the BSC Academic Honesty Policy can be found at: <http://www.bluefieldstate.edu/academics/academic-honesty-and-proctoring>. In addition, students should be

aware that research paper assignments are submitted to [Turnitin](#) for the purpose of checking for possible plagiarism. Submitted assignments will be included in the BSC dedicated database of assignments at Turnitin and will be used solely for the purpose of checking for possible plagiarism during the grading process during this term and in the future.

Attendance Policy: Attendance in class is mandatory. For an online course, this means that you must **regularly (i.e. at least once each week)** login to the online course page, submit answers to each chapter discussion question, complete chapter quizzes and exams, and submit your research paper, etc., on the dates indicated.

Mandatory Name Assignment: All of you should first complete the Mandatory Name Assignment by the end of the first week of class. Read the instructions below for the first assignment which requires you to send me your name in Microsoft Word format as an attachment. Yes, your name must be in a file sent as an attachment, so **do NOT send me your name in an email message and think that you have completed this assignment.** Send the attachment to my HCC email address, i.e. ccavell@bluefieldstate.edu. Once I receive it, you will have a “completed” noted on your grade sheet on the course Moodle page under “Mandatory Name Assignment”. The reason for this exercise is that you need to know how to send a Microsoft Word attachment, because later in the course you will each have to upload and submit a copy of your research papers formatted in Microsoft Word to the Turnitin website as well as sending me a copy to my BSC email. Remember: **use Microsoft Word** and **not** Microsoft Works as an editor. Also note that the Research Paper Guidelines have been updated and will tell you all you need to know to complete the Research Paper.

Online Class Discussion Policy: The Chapter Discussion Questions will be posted on the class Discussion board at the beginning of each week. At the bottom of the chapter question, there is a hyperlink “Reply” button. Simply click this “Reply” button and submit your answer to the chapter question. **Each student must make at least one entry per each Chapter Class Discussion question.** Make sure you **simply hit the reply button on the Discussion Question which is posted to submit your answer**, so that the Subject Heading is the same as the Discussion Question, in order to get credit for that Chapter’s Discussion Question. Note that each student MUST provide their own answer to each question. **DO NOT SUBMIT ATTACHED ANSWERS.** YOU MUST TYPE YOUR REPLY IN THE DISCUSSION SECTION SO THAT ALL CAN READ IT WITHOUT OPENING UP AN ATTACHMENT. **Copying from any other student’s answer or simply repeating what other students have written constitutes plagiarism and will be dealt with harshly.** Also, you will not be able to view other students’ responses until you have submitted one of your own first. Note that, like the quizzes, you must complete all chapter discussion questions by the **Last Day of Classes by 11:55 p.m.** in order to receive 12.5% credit (i.e. half of 25% for the Quizzes and 12.5% for the Discussion Questions).

Quiz and Test Policy: You will have **three possible attempts** with each chapter quiz to make your highest score. On the Midterm and Final Exams, you will have **only one possible attempt** to make your highest score. Your chapter quizzes will become accessible on the date indicated online and you will have until the **Last Day of Classes at 11:55 p.m.** to take them. The Midterm and Final Exams will be accessible on the date indicated online and on the syllabus and **you will have only 120 minutes to complete each exam.** If you attempt to utilize the course textbook to answer the questions on the Midterm and Final Exams, you will likely run out of time. **Make sure to complete both the Midterm Exam and the Final Exam by the stipulated dates.** The Midterm Exam will cover chapters 1-7. The Final Exam will cover Chapters 8-14. Questions on the Midterm and Final Exams will come directly from the chapter quizzes.

Special Note About the Chapter Quizzes: Each Chapter Quiz contains at least thirty questions and, sometimes, more. However, do not be discouraged by this, because **you will NOT be graded on how many answers you get wrong or right on the Chapter Quizzes** but, rather, **you will be graded simply on whether or not you took each Chapter Quiz at least once.** Yes, you read that correctly. All you need to do in order to receive your 12.5% credit (i.e. half for the Quizzes and 12.5% for the Discussion Questions, for a total of 25% for Attendance) for completing the Chapter Quizzes is to simply attempt to take each Chapter Quiz at least once. Make sure you click the “Submit” button at the end of each Chapter Quiz so that Moodle notifies me that you have taken the quiz. By completing the chapter quizzes, you will also be preparing yourself for the Midterm and Final Exams, as the questions on the exams will come directly from the chapter quizzes.

Communication Policy: There are no synchronous or on-site requirements for this online distance learning course. I am teaching this course from Bluefield, West Virginia, and we may not be able to meet directly in person as some of you are far from here. Nevertheless, I will login to the course regularly to answer email, respond to bulletin board questions, etc. If you have a question, email me at ccavell@bluefieldstate.edu.

Withdrawal Policy: Academic Withdrawal from the course prior to the deadline date for withdrawal as published within the academic calendar is accomplished by securing a change in schedule form and having it signed by appropriate persons. Blank copies of the change in schedule form are available in the offices of the Registrar, the Vice President for Academic Affairs, the Dean and the advisor. After obtaining the required signatures, the student must submit, prior to the deadline date, the change in schedule form to the Office of the Registrar.

ADA Accommodation: Any student who feels s/he may need an accommodation based on the impact of a disability should contact the Office of Student Support Services at 304-327-4097 in Basic Science 113 to coordinate reasonable accommodations for students with documented disabilities.

Services for Disabled Students: Based on documentation and recommendation of services from physicians and therapists, the following services can be provided to students with disabilities:

- extended test time
- proctored tests
- adaptive software
- note-takers
- sign-language interpreters
- and more (depending on the recommendation of therapist and/or physician).
