Teaching Procedures: This course will be taught in the classroom along with exams posted online on the course Moodle page. Individual work is required, such as attending class, weekly participation in the Soliya Connect Program, submitting a research paper, and completing online midterm and final exams.

Interaction Plan: This course will require continuous communication between you, the student, and myself, the instructor, both in class and by utilizing the tools provided by the course Moodle page and related software, including as well the BSC email system. We shall follow the posted syllabus as our guide.

Caveat Emptor (i.e. Buyer Beware): This course is intense and requires a commitment by you, the student, to keep up with the readings and the work. By taking this course, you are making a **commitment** to purchase the required texts, keep up with the chapter readings, attend your weekly Soliya discussion sessions, submit your **Research Paper** by the required due date, and completing the **Midterm Exam** and **Final Exam** by the dates indicated.

Academic Integrity Policy: Academic integrity is expected of all students. This means that all work for this class must be undertaken and completed by you alone without collaboration from others. Any dishonesty in the performance of course work, such as plagiarism or cheating in other forms, will be reported. In the event the student is charged with some form of dishonesty, the Student Discipline Policy will be followed. The full text of the BSC Academic Honesty Policy can be found at: https://www.bluefieldstate.edu/sites/default/files/page/attachments/2016/10/academic_honesty_statement.pdf. In addition, students should be aware that research paper assignments must be submitted to Turnitin for the purpose of grading and checking for plagiarism. Submitted assignments will be included in the BSC dedicated database of assignments at Turnitin.

Attendance Policy*: Attendance in class is mandatory. It is the student's responsibility to sign the attendance sheet each day of class; failure to sign the attendance sheet—even if in attendance—will be counted as an absence. “When the number of clock hours of willful absences exceeds the number of semester hours of credit, the instructor will notify the Registrar that the student has exceeded the permissible number of absences and should be withdrawn from class.” Students with Excused Absences must submit to me a hard copy of the campus publication *The Bulletin* announcing your allowed absence in order to get credit for the day(s) of your absence. “It is the responsibility of the student to...provide supporting documents for institutional and unavoidable absences” (*Bluefield State College Academic Catalog 2016-2017*, p. 53). As well, you are expected to follow the syllabus and accordingly be prepared for each day's class. This means that you must read the pre-assigned readings before class so that you will be prepared to discuss and debate in class the subject matter scheduled for that day and answer questions related to the issues being covered.

* Absence from class may be made up by preparing a **two-page, typed** (i.e. using maximum 12 point font size and maximum double-spaced text with one-inch margin on all sides), **summary** on the missed material scheduled to be covered the day(s) of your absence. The summary must be in your own words and must **not** be copied material from the text(s), the internet, or any other source(s). **All summaries must be turned in to me by the last day of classes if you want credit for your absences.**

Quiz and Test Policy: You will have **three possible attempts** with each chapter quiz to make your highest score. On the Midterm and Final Exams, you will have **only one possible attempt** to make your highest score. Your chapter quizzes will become accessible on the date indicated online and you will have until the last day of classes [i.e. May 4, 2018] at 11:55 p.m. to take them. The Midterm and Final Exams will be accessible on the date indicated online and on the syllabus and **you will have only 120 minutes to complete each exam**. If you attempt to utilize the course textbook to answer the questions on the Midterm and Final Exams, you will likely run out of time. **Make sure to complete both the Midterm Exam and the Final Exam by the stipulated dates.** The Midterm Exam will cover all Readings stipulated on the syllabus up to the Midterm Exam. The Final Exam will cover all Readings stipulated on the syllabus up to the Final Exam. Questions on the Midterm and Final Exams will come directly from the chapter quizzes.

Special Note About the Chapter Quizzes: Each Chapter Quiz contains at least ten questions and, sometimes, more. However, do not be discouraged by this, because you will NOT be graded on how many answers you get wrong or right on the Chapter Quizzes but, rather, you will be graded simply on whether or not you took each Chapter Quiz at least once. Yes, you read that correctly. All you need to do in order to receive your 5% credit (of your total 20% Attendance grade) for completing the Chapter Quizzes is to simply attempt to take each Chapter Quiz at least once. Make sure you click the “Submit” button at the end of each Chapter Quiz so that Moodle notifies me that you have taken the quiz. By completing the chapter quizzes, you will also be preparing yourself for the Midterm and Final Exams, as the questions on the exams will come directly from the chapter quizzes.

Cell Phone Policy: **TURN OFF** all cell phones during class or place on silent vibrate. If you must answer a phone call, then quietly leave the room to take your call. **DO NOT** play, utilize, or otherwise interact with your cell phone or any other electronic device during class. If caught in so doing, you will be expelled from the class session.

Withdrawal Policy: Academic Withdrawal from the course prior to the deadline date for withdrawal as published within the academic calendar is accomplished by securing a Change In Schedule form and having it signed by appropriate persons. Blank copies of the change in schedule form are available in the offices of the Registrar, the Vice President for Academic Affairs, the Dean and the advisor. After obtaining the required signatures, the student must submit, prior to the deadline date, the change in schedule form to the Office of the Registrar.

Disability Services Statement: BSC is committed to full inclusion of all students. Students who, by nature of a documented disability, require classroom, equipment, testing or assignment accommodations should contact the Student Support Services at 304.327.4227 to request accommodations before the start of the

semester. Your immediate attention to these arrangements is necessary to assure a positive learning experience.

Chemistry, etc. This service is free and available 24 hours a day to all BSC students. Go to <http://www.smarthinking.com/> and follow these instructions.
